# CIM - Cyprus Business School

CIM-Cyprus Business School was established in 1978 in Nicosia as The Cyprus Institute of Marketing and has been operating also in Limassol since 1984. Originally set up to promote the science of Marketing in Cyprus and abroad, during the last 45 year CIM-Cyprus Business School has evolved into an all-round Business School, offering an array of programmes at both Undergraduate as well as Postgraduate level – from Marketing, Business, to Accounting and Finance, Shipping, and Human Resource Management, Law, Hospitality Management and other.

Over the years, CIM-Cyprus Business School has provided the opportunity to more than 10,000 students to acquire acclaimed qualifications and fulfil their aspirations. A lot of our students are individuals who had missed out, for one reason or another, on the opportunity to study after graduating from secondary school, yet who always had the desire to pursue learning, gain further knowledge and qualifications, and advance their careers. Though CIM serves students of all ages and all walks of life, we still offer evening classes exclusively – in order to cater for the needs of working individuals. We still put emphasis on combining theory and practice and remain committed to offering the best and most accessible education at the most affordable fees.

**10,000  
students**

from over 30 countries, who  
are leading multinational  
companies across the globe

# University of West London

**In top 10 universities in the UK for teaching quality**

The Times and Sunday Times Good University Guide 2022

The University of West London (UWL) is a British University with a heritage of over 150 years in teaching and professional education.

In 2021, UWL was announced as 'University of the Year for Student Experience' by The Times and Sunday Times Good University Guide 2021. It was also named top university in London for student satisfaction by the Complete University Guide 2021.

In June 2017, UWL was awarded Silver in the first Teaching Excellence Framework (TEF), recognising its strategic and innovative approach to curriculum and teaching expertise, and its focus on a positive student experience. The success of UWL has been underpinned by dynamic growth following major investment of up to £150m across its three campus sites.

**Top modern\* university in London**

The Guardian University Guide 2022

\*Modern universities are defined as higher education institutions that were granted university status in, and subsequent to, 1992

# BA (Hons) Accounting & Finance

You will learn all the principles of accounting and finance, while developing the key skills to excel in the financial marketplace. Our tutors are professionally qualified and work in the industry, giving you the benefit of their experience and knowledge. On this course, you will learn the principles of accounting and finance, while developing the key skills you need to succeed in the financial marketplace. When you graduate, you will gain maximum exemptions from professional exams - no institution offers more exemptions from the Association of Chartered Certified Accountants (ACCA) exams. You will also develop the practical skills essential for success in your chosen career. In five years, you can earn a prestigious Honours degree together with a professional accounting qualification.

The course provides  
the maximum  
exemptions  
(9 papers) from the  
ACCA examinations.

## COURSE OVERVIEW

If you want to succeed in accounting or finance then you need to learn the fundamentals of accounting and finance and there's no better place to do this than on the BA (Hons) Accounting and Finance course at UWL. By giving you the information, the tools, the techniques and the experience needed to devise creative solutions to the full range of accounting and finance problems, this three-year course gives you a real foot in the door of this competitive world.

Accounting, as a subject, is constantly changing and in order to adapt to the needs of modern-day business, we know how essential it is that this course also develops to keep up with these changes.

# BA (Hons) Accounting & Finance

We provide you with all the tools, techniques and experience you need to succeed in a highly competitive financial world.

## TEACHING METHODS

How you learn is almost as important as what you learn, and it is our job to ensure we give you all the information you need in as interesting and varied a way as possible. So there will be lectures, seminars, tutorials and workshops, where you will listen, learn, discuss and gain hands-on experience of how business and finance work. We aim to combine traditional academic teaching with up-to-date training in the skills needed to be successful in the modern world.

## EXIT SKILLS

Our aim is to produce graduates with all the skills and abilities needed to flourish in the world of accounting and finance.

We hope you'll leave us not only with all you need to start a career, but as someone who doesn't see a job as the end of their studies so much as the start of Continuous Professional Development and Lifelong Learning. This degree provides a fantastic basis for all professional qualifications, including those offered by the Association of Chartered Certified Accountants (ACCA); the Chartered Institute of Management Accountants (CIMA); the Institute of Chartered Accountants (ICA); and the Institute of Credit Management (ICM).
