# CIM - Cyprus Business School

CIM-Cyprus Business School was established in 1978 in Nicosia as The Cyprus Institute of Marketing and has been operating also in Limassol since 1984. Originally set up to promote the science of Marketing in Cyprus and abroad, during the last 45 year CIM-Cyprus Business School has evolved into an all-round Business School, offering an array of programmes at both Undergraduate as well as Postgraduate level – from Marketing, Business, to Accounting and Finance, Shipping, and Human Resource Management, Law, Hospitality Management and other.

Over the years, CIM-Cyprus Business School has provided the opportunity to more than 10,000 students to acquire acclaimed qualifications and fulfil their aspirations. A lot of our students are individuals who had missed out, for one reason or another, on the opportunity to study after graduating from secondary school, yet who always had the desire to pursue learning, gain further knowledge and qualifications, and advance their careers. Though CIM serves students of all ages and all walks of life, we still offer evening classes exclusively – in order to cater for the needs of working individuals. We still put emphasis on combining theory and practice and remain committed to offering the best and most accessible education at the most affordable fees.

# MA Luxury Hospitality Management

The MA in Luxury Hospitality Management is a postgraduate award in the business management field which is explicitly oriented to luxury hospitality management. Given that the luxury sector is the fastest growing segment of the \$6 trillion global hospitality industry and is becoming increasingly eclectic and highly competitive, this postgraduate course is specifically designed to provide students with the skills, knowledge and insight to develop a global vision of the business and the ability to successfully design and manage a luxury hospitality brand.

Students develop their ability to understand the broader demands of management at higher levels.

## COURSE OVERVIEW

This course combines a dedicated academic focus with a study of contemporary managerial and strategic issues. Students learn about the business environment in which luxury brands operate, the customer experience and reputation management in the world of luxury hospitality management.

To help students develop their advanced management skills, the course focuses on the subtleties that separate businesses and services in the luxury hospitality sector today. This allows for development of critical understanding of the operational, financial and cultural imperatives of luxury hospitality and the impact of changes in that environment at local, national and international levels.

The course addresses the opportunities and challenges involved in designing customer experiences within the luxury hospitality industry, focusing on the strategies that help organisations achieve their goals.

Students also develop their ability to understand the broader demands of management at higher levels, including measuring and analysing the financial, social and environmental performance of the business.
