CIM - Cyprus Business School

CIM-Cyprus Business School was established in 1978 in Nicosia as The Cyprus Institute of Marketing and has been operating also in Limassol since 1984. Originally set up to promote the science of Marketing in Cyprus and abroad, during the last 45 year CIM-Cyprus Business School has evolved into an all-round Business School, offering an array of programmes at both Undergraduate as well as Postgraduate level – from Marketing, Business, to Accounting and Finance, Shipping, and Human Resource Management, Law, and other.

Over the years, CIM-Cyprus Business School has provided the opportunity to more than 10,000 students to acquire acclaimed qualifications and fulfil their aspirations. A lot of our students are individuals who had missed out, for one reason or another, on the opportunity to study after graduating from secondary school, yet who always had the desire to pursue learning, gain further knowledge and qualifications, and advance their careers. Though CIM serves students of all ages and all walks of life, we still offer evening classes exclusively – in order to cater for the needs of working individuals. We still put emphasis on combining theory and practice and remain committed to offering the best and most accessible education at the most affordable fees.

University of West London

In top 5 universities in the UK for teaching quality

The Times and Sunday Times Good University Guide 2024

The University of West London (UWL) is a British University with a heritage of over 150 years in teaching and professional education.

In 2021, UWL was announced as 'University of the Year for Student Experience' by The Times and Sunday Times Good University Guide 2021. It was also named top university in London for student satisfaction by the Complete University Guide 2021.

In June 2017, UWL was awarded Silver in the first Teaching Excellence Framework (TEF), recognising its strategic and innovative approach to curriculum and teaching expertise, and its focus on a positive student experience. The success of UWL has been underpinned by dynamic growth following major investment of up to £150m across its three campus sites.

BA (Hons) Accounting & Finance

This accounting and finance degree at the University of West London will help you gain both knowledge and practical experience. You will learn from professional accountants who will support your academic and career goals, equipping you to compete in the financial jobs market. The course is designed to maximise exemptions from the exams set by professional accountancy bodies such as the Association of Chartered Certified Accountants (ACCA). This means you will sit fewer ACCA exams and you could shorten the length of time it takes you to gain your professional qualification.

The course provides
the maximum
exemptions
(9 papers) from the
ACCA examinations.

COURSE OVERVIEW

On this Accounting and Finance course you will learn essential principles while developing the practical skills you need to succeed.

Our professionally qualified tutors all have industry experience, most of them with the Big Four accounting firms; with their guidance you will grow your understanding of current practices.

As a team, we do everything we can for our students, but do not take our word for it. Since the student satisfaction ratings were first introduced, this course has frequently featured in the top ten accounting degrees in the country.

Alongside your specific professional abilities, we will encourage you to develop the transferable skills that will help you to stand out to potential employers. These include analytical, research and communication skills.

All our teaching staff pride themselves on putting students first, and you will always have academic support when you need it. Your tutors will work with you as an individual to make the most of your career opportunities.

You will listen, learn, discuss and gain hands-on experience of how business and finance work through:
lectures / seminars / tutorials / workshops.

When you graduate, provided you have passed specific accredited optional modules at Level 6/Year 3, you will be awarded up to nine exemptions from ACCA and it is possible to become an ACCA-qualified accountant within two years of graduation.

BA (Hons) Accounting & Finance

We provide you with all the tools, techniques and experience you need to succeed in a highly competitive financial world.

TEACHING METHODS

How you learn is almost as important as what you learn, and it is our job to ensure we give you all the information you need in as interesting and varied a way as possible. So there will be lectures, seminars, tutorials and workshops, where you will listen, learn, discuss and gain hands-on experience of how business and finance work. We aim to combine traditional academic teaching with up-to-date training in the skills needed to be successful in the modern world.

EXIT SKILLS

Our aim is to produce graduates with all the skills and abilities needed to flourish in the world of accounting and finance.

We hope you'll leave us not only with all you need to start a career, but as someone who doesn't see a job as the end of their studies so much as the start of Continuous Professional Development and Lifelong Learning. This degree provides a fantastic basis for all professional qualifications, including those offered by the Association of Chartered Certified Accountants (ACCA); the Chartered Institute of Management Accountants (CIMA); the Institute of Chartered Accountants (ICA); and the Institute of Credit Management (ICM).
