CIM - Cyprus Business School

CIM-Cyprus Business School was established in 1978 in Nicosia as The Cyprus Institute of Marketing and has been operating also in Limassol since 1984. Originally set up to promote the science of Marketing in Cyprus and abroad, during the last 45 year CIM-Cyprus Business School has evolved into an all-round Business School, offering an array of programmes at both Undergraduate as well as Postgraduate level – from Marketing, Business, to Accounting and Finance, Shipping, and Human Resource Management, Law, and other.

Over the years, CIM-Cyprus Business School has provided the opportunity to more than 10,000 students to acquire acclaimed qualifications and fulfil their aspirations. A lot of our students are individuals who had missed out, for one reason or another, on the opportunity to study after graduating from secondary school, yet who always had the desire to pursue learning, gain further knowledge and qualifications, and advance their careers. Though CIM serves students of all ages and all walks of life, we still offer evening classes exclusively – in order to cater for the needs of working individuals. We still put emphasis on combining theory and practice and remain committed to offering the best and most accessible education at the most affordable fees.

LLB (Hons) Law

This law degree lets students focus on applying knowledge in practice, using real-world legal scenarios. It gives students the knowledge, tools and experience that will ready them for a rewarding career as a legal professional. All modules are taught with reference to current legal practice, by experts in the field, in order to ensure students are up-to-date with all ongoing changes in the profession.

COURSE OBJECTIVES

As students work towards attaining their LLB degree, they will develop a thorough understanding of the complexities of the legal system. They also develop key skills to help them navigate their new career.

We aim to give students a well-rounded education in all aspects of the law, so they will experience:

- close interaction with teaching staff
- learning support as an integral element of modules
- focus on employability skills, including presenting, mooting, advocacy, and research
- In addition, they will have the chance to learn from the wisdom and experience of leading guest speakers, including academics, barristers, judges and solicitors. Their expertise will raise students' awareness of how the law operates in the real world.
